Dear Rick:

Thank you for helping us to make our Artrageous 2002 Spring Benefit Party a total success. I especially want to thank you for your beautiful design and art in the production of our invitation and journal. Your support of the Art League is cherished, and because of people like you, we will continue our work in providing art and art appreciation to all Long Islanders.

Sincerely Yours,

A handwritten signature in black ink that reads "Ed McEvoy". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
